

BECOME A MASEEH COLLEGE AMBASSADOR!

What is a Student Ambassador?

Maseeh College Student Ambassadors are a team of student leaders that represent the college to a wide array of audiences. Ambassadors promote Engineering and Computer Science through recruitment and outreach events.

What do Student Ambassadors do?

Ambassadors work with the Dean's Office to represent the College to classrooms, prospective students, and a variety of other audiences. Responsibilities include: serving as a tour guide, delivering presentations, leading outreach activities, and assisting with other co-curricular events.

What are the Student Ambassadors' Goals?

Inspire all students, especially those underrepresented in STEM fields, to pursue a degree in Engineering or Computer Science. Provide support for Maseeh College students through community-building events, help to increase student persistence, and promote diversity, equity, and inclusion in STEM.

What is the required time commitment?

- ~10 hours/month, including Fridays, some evenings and weekends
- Attend yearly training/team-building events and 1 meeting per month
- Lead at least 2 tours per term
- Pay rate is \$16.25/hour

Scan the QR code to apply by May 30th!

Submit your application by May 30th for Summer/Fall 2025 consideration.
